Save The Bay - Website

Hi. I am Devansh Bamrara from Bayside Digital, Moreton Bay. I did some research on this project as it is a Non-Profit Organization we should make the site simple and easy to use.

These are the pages we will be adding on the website:

- HOME PAGE

  The home page will tell about the organization and the goals organization want to full fill and how and where the donated money is used and about our team.

- Sign In/ Log In

  If new user, then Sign in Else Log In.

- Get Involved Page

  In this if anyone wants to join the organization can join by filling the form and volunteer be the part of the organization.
  If he wants to donate he will be redirected to the Donation Page.

- Donation Page

  If someone wants to Donate they can do that by Filling the payment form.
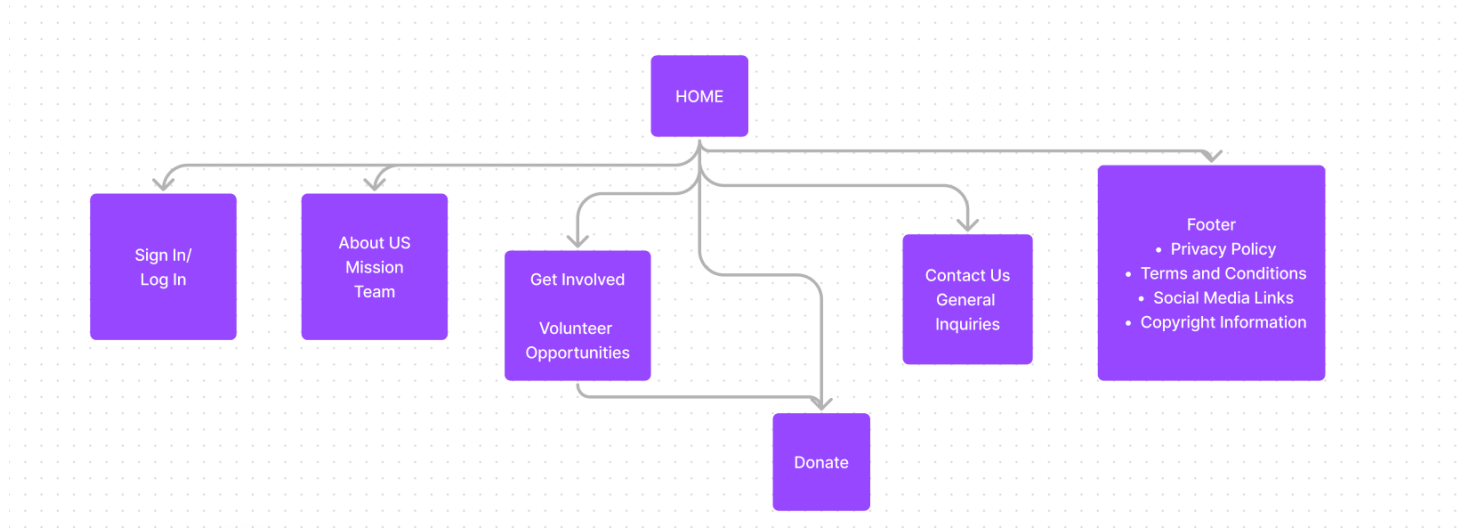

- Contact Us

  Contact Details Will be given Like phone number or Email if someone have queries they can contact us.

- Footer

  In this we will have Privacy Policy, Terms and Conditions, Social Media Links and Copyright Information.
